

Drodzy Maturzyści!

W tej sekcji znajdziecie ćwiczenia z najważniejszych zagadnień leksykalnych i gramatycznych. Być może, niektórzy z Was uznają je za niezbyt trudne, ale to właśnie one stanowią solidną podbudowę do ćwiczeń, z którymi zmierzmy się na TURBO WEEKENDZIE. Skutecznie powtórzona gramatyka pozwoli wyeliminować Wasze błędy w parafrazach i innych zadaniach w części Znajomość Środków Językowych.

W tłumaczeniu słownictwa z pewnością przyjdą Wam do głowy inne warianty, niż te zaproponowane przez nas. Nie oznacza to, że będą błędne. Miałyśmy świadomość, że nie wyczerpiemy całej listy możliwości i z tego powodu zawarliśmy tylko te najbardziej popularne lub ciekawe. Nie zamykajcie się na inne rozwiązania, sprawdźcie tylko ich poprawność w wiarygodnych źródłach.

Na wszystkie pytania chętnie odpowiemy podczas naszego spotkania.

Do zobaczenia!
